A fiscal order is **no longer** required for the first eight (8) tests per month. Two (2) OTC tests per claim, with no refills, can be submitted with a limit of two (2) tests per fill. Additional tests may be covered with a fiscal order (a request written by a NY Medicaid Enrolled Provider to provide non-prescription drugs or medical/surgical supplies electronically prescribed or written on an Official NYS Prescription form).

In accordance with 42 C.F.R. § 447.512(b), pharmacies must provide a U&C Price when submitting pharmacy claims for prescription and OTC (nonprescription) items. U&C is defined as the lowest price charged to the general public after all applicable discounts, including promotional discounts and discounted prices associated with loyalty programs.

Reminder:

When submitting the quantity of tests, the quantity should be reflective of the number of individual tests. If a 2-pack test kit is dispensed, submit the quantity of ‘2’ in the Quantity Dispensed field (NCPDP field # 442-E7).
