### Disclaimer

These reimbursement policies serve as a guide to assist you in accurate claims submissions and to outline the basis for reimbursement if Highmark BCBS covered the service for the member's benefit plan. The determination that a service, procedure, item, etc. is covered under a member's benefit plan is not a determination that you will be reimbursed. Services must meet authorization and medical necessity guidelines appropriate to the procedure and diagnosis as well as to the member's state of residence.

You must follow proper billing and submission guidelines. You are required to use industry standard, compliant codes on all claim submissions. Services should be billed with Current Procedure Terminology® (CPT) codes, Healthcare Common Procedure Coding System (HCPCS) codes, and/or revenue codes. These codes denote the services and/or procedures performed and, when billed, must be fully supported in the medical record and/or office notes. Unless otherwise noted within the policy, our reimbursement policies apply to both participating and non-participating professional providers and facilities.

If appropriate coding/billing guidelines or current reimbursement policies are not followed, Highmark BCBS may:

- Reject or deny the claim.
- Recover and/or recoup claim payment.
- Adjust the reimbursement to reflect the appropriate services and/or procedures performed.

### Policy

Highmark BCBS allows reimbursement for preventive medicine and sick visits on the same day unless provider, state, federal, or CMS contracts and/or requirements indicate otherwise.

Reimbursement is based on the fee schedule or contracted/negotiated rate for the preventive medicine and the allowed sick visit under the following conditions:

- Modifier 25 must be billed with the applicable evaluation and management (E/M) code for the allowed sick visit. If Modifier 25 is not billed appropriately, the sick visit will be denied.
- Appropriate diagnosis codes must be billed for respective visits.

Federally qualified health centers (FQHCs) and rural health centers (RHCs), reimbursed other than through the Highmark BCBS fee schedule or state encounter rates, are not subject to this policy.
