

## **Pre-Exposure Prophylaxis Awareness Week**

BlueCross BlueShield of Western New York (BlueCross BlueShield) partners with Amerigroup companies to administer certain services to Medicaid Managed Care (MMC) and Child Health Plus (CHPlus) members. Please note, this notice is specific to the MMC and CHPlus programs only.

October 25, 2021, to October 31, 2021, is Pre-Exposure Prophylaxis (PrEP) Awareness Week in New York. We at BlueCross BlueShield want everyone aware that PrEP can prevent HIV. Moving forward, we want to highlight PrEP resources made available by the New York State Department of Health clinicians. BlueCross BlueShield providers should refer to these resources to determine if PrEP is right for their patients.

To find a list of prescribing providers, clinical guidance, and patient educational material, select the following links:
