

## HEDIS well-child and immunizations coding tips

Highmark Blue Cross Blue Shield of Western New York partners with Amerigroup companies to administer certain services to Medicaid Managed Care (MMC) and Child Health Plus (CHPlus) members. Please note, this information is specific to the MMC and CHPlus programs only.

### Background

We want to help reduce your administrative burden in reporting HEDIS®/Quality Assurance Reporting Requirements (QARR) data to us each year during HEDIS/QARR medical review season, so we have prepared the following list of CPT®, ICD-10-CM, and HCPCS codes. Adding these codes to your claims will help us identify additional information about each visit and improve the accuracy of reporting quality measures.

### Weight Assessment and Counseling for Nutrition and Physical Activity for Children/Adolescents (WCC)

The codes below identify weight assessment, counseling for nutrition and physical activity. Member-collected biometric values (height, weight, BMI percentile) are eligible for use in the ways outlined below:
